13th October 2006

Dear Sarah

I wanted to write and thank you on behalf of our Search and Rescue team for the recent EFR Primary and Secondary Care course with Care for children included.

I have already received a great deal of positive feedback from the other delegates of the course who found it both very informative as well as great fun.

I particularly enjoyed the scenarios included in the course which were very realistic and a great way of learning the practical skills required to complete the course.

I already have a few more people who have expressed an interest in doing the course and as soon I have a few more delegates I will contact you to book it.

Thanks once again and I look forward to doing more training of a similar sort with you in the not too distant future.

Yours sincerely

Stuart Queen
